How to Access Current USC Dissertations

Current USC Dissertations can be accessed through the USC Library Website at <http://usc.edu/libraries/>

- 1) On the USC Library Web Page under Electronic resources click on “Databases”
- 2) Under databases select “Current Research at USC: USC Dissertations”
- 3) On the next page, next to the data base box click on [Select Multiple Databases](#)
- 4) On the following page click on Dissertations and Theses @USC.
- 5) On the following page enter your topic of interest then click search.
- 6) On the following page there will be a list of dissertations that are available. To read or print a dissertation, click on the Full Text PDF link below the title.
