A: Yes, Rossier's Master's Ceremony does require tickets.
- Q: Why are guest tickets required for the Rossier Commencement Ceremonies?
A: The ticket requirement has been added due to the increasing number of graduating students.
- Q: Why do you have to reserve our tickets online, if we are already guaranteed tickets?
A: All candidates are guaranteed a certain number of tickets each year. The reason that you still must reserve those tickets is because not all students participating need all of the guaranteed tickets. This process lets us know for sure what each student needs.

In addition, this will help you or the other students who want more tickets. Once we are able to determine who doesn't want all of their tickets we will be able to determine how many tickets will be available for the lottery.

You can only reserve tickets online because it allows you to print a copy for your records as well as send us the important information.

- Q: After I receive my guaranteed tickets, can I receive any more?
A: After all the guaranteed tickets have been allocated, students can enter the lottery for more tickets. Please see ticket procedure for more details.
- Q: Can I RSVP without a USC email account?
